

Technology Driven. Education Focused.

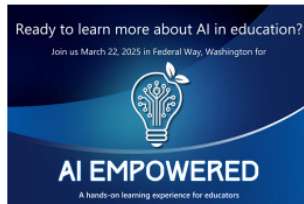

Holiday Vibes Meet E-Rate Season

The funding year 2025 470 window is open! This is the *last* year of the five year budget cycle. Meet with **MicroK12's Network Engineering Team** to go over your current network and identify any issues, or gaps in your network that could be resolved during the upcoming E-Rate season. The E-Rate team can also provide direction and answer any general questions you have.

Let's wrap up this year with productivity *and* holiday cheer!

Contact us today to check E-Rate off your list!

AI Empowered Summit

March 22, 2025

Join i2e for an energizing, hands-on workshop that will transform how you think about artificial intelligence in education.
